

St. JOSEPH'S COMMUNITY COLLEGE

Gnanapuram, Visakhapatam-530004.

The St. Joseph's Community College was started in the year 2005 for empowering the school and college dropouts in order to give self-reliant opportunities for their better future. The community college renders service to the local and far off drop out girl student. The student hail from the rural areas of 5 districts in the state of Andhra Pradesh.

It is a residential training programme. Each group consists of 20 students. 600 students had passed out and employed in various institutions hospitals and homes.

Target group served

- Tribal poor
- Urban poor
- Rural poor

Vision;

Empowering the young women through need based skill development leading to gainful employment.

Mission;

Reaching out to the women and girls, who are economically, socially, mentally and psychologically poor.

Courses Conducted

- Diploma in Health Assistants (DHA)
- Diploma in Desk Top Publishing (DDTP)
- Diploma in Fashion Designing and Garment Making (DFGM)
- Diploma in Early Childhood care and Education(DECE)

These courses are offered for one year.

Many students are working in various institutions. We keep details about them and encourage them to go for higher studies.

The food and accommodation is provided freely by the Society of Sisters of St. Joseph of Annecy.

The student of numbers is increasing to learn these skills. At times, it we find quite difficult to provide the best things and needs. We humbly request you to be generous enough and help us, in whatever form you can, to build up their lives.
