

## **Mustabada - 2019**

Mustabada is a village in Gannavaram Mandal in Krishna District. It belongs to Andhra Region. It is located 69 Km towards west from District headquarters Machilipatnam and 7KM from Gannavaram. Telugu is the local language.

Due to the bifurcation of the State the capital of Andhra Pradesh is shifted to Amravati and all our official works we need to go to the new Capital. When we discontinued our collaborative ministry in Agripalli we were also looking for a place to start our own mission in that area to continue our presence in Krishna district. By chance we got this place which was on sale and shifted from Agripalli to Mustabada. Though the place is not ready sisters took the risk and remained in a small house and began their ministry. Officially the community began on 17th June 2019.
